Downs Infants is a warm, open and nurturing school, which has a deep commitment to a child-centred and unique infant education. We have a strong sense of community, which is inclusive of all, and teach our children to be kind and foster a love of learning.

We take a creative and innovative approach to education here, fostering an inquisitive and curious approach to the curriculum where we value the role of play for infant children. Our SEN team work flexibly to support our children with SEN, sometimes providing individual support and sometimes working with a small group, or supporting in class. Alongside a knowledge of and passion for working with children with SEND, a knowledge of both EYFS and Key Stage 1 is essential for this post because we use continuous provision alongside direct teaching throughout our school.
