

JOB DESCRIPTION

Job Title:	Senior Social Worker/AMHP
Reports to:	Operations Manager / Team Lead
Directorate:	Health & Adult Social Care
Section:	Assessment Teams

Purpose of the Job

Social Workers undertake assessments, professional interventions and other duties relating to individuals, families and carers. Working as autonomous professionals, decision making is informed by social work knowledge, legislation and statutory guidance, and policy and procedures relating to the social care of adults and their carers. In order to fulfil these duties, social workers are required to work collaboratively with all stakeholders to improve outcomes, promote wellbeing, and where appropriate provide professional leadership in the areas of personalisation, mental capacity and social models of support. Social workers are expected to safeguard and empower adults in need of care and support in accordance with our strategic priorities.

In addition to the above, Senior Social Workers are required to provide practice leadership in areas of safeguarding, mental capacity and risk management. Senior Social Workers lead and deliver a model of excellent social work, acquired through continuing professional development and experience.

Principle Accountabilities

In respect of individuals and carers/families allocated to them:

1. Enabling the Local Authority to discharge its assessment duties under the Care Act 2014, Mental Capacity Act 2005, Mental Health Act 2007 and other key legislation and guidance.
2. Carry out and oversee safeguarding enquiries in accordance with sections 42 and 68 of the Care Act 2014 and in accordance with the principles of 'making safeguarding personal' and other strategic objectives of the Safeguarding Adults Board.
3. Working with Children, Families & Learning social work colleagues where the protection and / or welfare of children needs to be considered.
4. Using advice and information and asset based approaches to build social capacity and enable people to maximise wellbeing.
5. Negotiating, costing and monitoring new and existing contracts (within an agreed contractual framework) to assure appropriateness of care provision, quality and best value.

6. Responsible use of resources to enable eligible care and support needs to be met, in accordance with the Scheme of Delegation and the Care Act 2014.
7. Work in collaboration with all stakeholders to ensure assessments are fully informed and that appropriate information is communicated with relevant parties and organisations.
8. Preparing, attending and presenting appropriate reports and assessments for court, Tribunals and professional colleagues as required.

In respect of the work of the team or area, there would also be a need for:

9. Participating as members of working parties, pilot schemes and other projects (specific limited term tasks) contributing to the development of the service.
10. Contributing to the quality assurance agenda and being individually responsive to maintaining standards of care delivery, within the organisation and with external partners.
11. To deputise for the relevant manager and to manage staff as required ensuring an effective and responsive service.

Professional Responsibilities for all Senior Social Workers

12. Actively engage in continuous professional development appropriate to role and scope of practice, in order to maintain professional registration.
13. Use professional registration to enable the department to discharge statutory duties in relation to the Mental Health Act 2007, Mental Capacity Act 2005 and the Care Act 2014.
14. Provide practice placements to social workers in training.
15. To participate and contribute to practice development initiatives across the directorate.
16. Use social work knowledge and skills to provide leadership, advice and support to non-registered social care staff.
17. In line with strategic objectives, train and act as the following:
 - Approved Mental Health Professional
 - Best Interest Assessor
 - Practice Educator

18. Maintaining comprehensive, accurate and professionally defensible records of work undertaken, to ensure compliance with organisational guidelines and professional standards.
19. To actively engage in supervision for regular support and to ensure accountability, improved outcomes and the opportunity for critical reflection.
20. To provide supervision to others for the purposes outlined above
21. To work in collaboration with senior staff to develop individuals and service objectives
22. In line with established governance arrangements, to use individual and service performance data as a means of maintaining quality and delivering service improvement

General Accountabilities

To co-operate in the implementation of the Council's Health and Safety policy

In particular: as set out in section 4.7 of the Health & Safety Policy:

- To take due care of their own health and safety and that of others, who may be affected by their acts and mistakes at work
- To use equipment according to instructions
- To ensure that they do not use facilities and equipment recklessly or interfere with the safe use of equipment, materials or systems
- To report any unsafe act, or condition, any accident or incident according to Health and Safety Policy

To uphold and carry out the duties of the post with due regard to the City Council's Inclusive Council Policy.

Your duties will be as set out in the above job description but please note that the Council reserves the right to update your job description, from time to time, to reflect changes in, or to, your job.

You will be consulted about any proposed changes.

The list of duties in the job description should not be regarded as exclusive or exhaustive.

There will be other duties and requirements associated with your job and, in addition, as a term of your employment you may be required to undertake various other duties as may reasonably be required.

Advanced Mental Health Practitioner

To provide a 24-hour dedicated AMHP Service on a shift pattern undertaking emergency and planned Mental Health Act assessments on behalf of Brighton and Hove City Council. Approved Mental Health Practitioners undertake triage and assessment under the Mental Health Act (1983 amended 2007) and provide support to other teams in Adult social care, mental health, primary care, and other organisations, around areas of the Mental Health act.

Additional Accountabilities

- To screen, triage, undertake, and co-ordinate assessments often in complex, crisis situations with high levels of risk, under the Mental Health Act, as an Approved Mental Health Professional.
- To make arrangements for informal admission and applications for compulsory admission and guardianship, in accordance with the outcome of the assessment.
- To appraise, and decline or approve Community Treatment Order applications and renewals. To ensure the 'least restrictive' options have been exhausted using Crisis Resolution and Home Treatment Team input or referring and signposting to other appropriate services.
- Where it is considered the criteria may be met, to make applications to the Magistrates Court for warrants to enter, search for, and remove individuals from private dwellings to a place of safety, and make necessary arrangements for the execution of such warrants. To make applications to County Court for the appointment of acting nearest relatives where it is felt that the statutory criteria may be met.
- To act as Practice Educator for trainee AMHP's, providing supervision, support and education
- To maintain and keep updated knowledge of Mental Health Legislation & case law as it impacts on the role of the AMHP, and to be accountable for decisions and judgements made whilst acting under Mental Health / Mental Capacity legislation.

Additional Qualifications/Experience

- Registered qualified professional (Social Worker, Nurse, OT, Psychologist). And hold a current AMHP qualification (Post-Grad Certificate in Mental Health), or be eligible to be approved.
- Demonstrable experience of working in MDT settings as an AMHP with up to date knowledge of the Mental Health Act and mental health social work practice.
- Extensive knowledge of and be able to apply, a range of complex and specialist legislation i.e. the Mental Health Act 2014, Mental Capacity Act 2005, Care Act 2015, Children Act 1989 and 2004, Carers Act 2015 and other relevant case law.
