of children and
young people and expects
all staff and volunteers
to share this commitment.*

Stanford Junior School is looking to appoint a

Teaching Assistant

- with a particular interest in behaviour management, 1:1 support and inclusive practices

Pay scale Level B. Permanent, subject to a satisfactory induction period. Hours to be discussed at interview. Start: September 2022.

Stanford Junior School is looking to appoint a teaching assistant to complement the existing staff team. We are looking for a reliable, committed and enthusiastic staff member who values their own professional development, enjoys working supportively with colleagues and, most importantly, is passionate about adding value to children's school experiences.

The successful candidate may be allocated to a named child but must also possess the necessary skills to perform general TA duties across a year group, including supporting groups of children with their learning.

We are looking for a staff member who is willing and able to support the wider life of the school, including attending residential trips and visits, running after school clubs (staff who are interested in running a club are paid to do so) and upholding the school's ethos and vision for children. We will be interested to hear what you can bring to our school and, during the interview process, will want you to demonstrate the skills, energy and passion required to enable our school to secure even better outcomes for children.

We can offer you...

a supportive senior leadership team • opportunities to further your practice • well-behaved, polite and ambitious children who are keen to learn • an opportunity to join a talented and passionate staff team • a committed governing body.

This is an exciting opportunity and we look forward to welcoming prospective applicants to our school.

Application packs are available from:
