Deputy Headteacher: Miss F Keeling

July 2022

Dear Candidate,

We are delighted that you are interested in our Maternity Cover Teaching Assistant post.

Post	Day	Time	Hours	Role
Maternity Cover	M/T/W/T/F	8.45am – 3.15pm	30	TA working as an INA

This post is temporary until December 31st 2022 and is also open to job share if appropriate.

St Bartholomew's CE Primary School is a "good" school and was describe as "warmly inclusive" in the September 2018 OFSTED. Our cohort is diverse which is wonderful but it can bring its challenges at time. We have a higher than average percentage of pupils in vulnerable groups but they mostly make progress in line with all pupils.

Please read the Job Description and Person Specification carefully and tailor your application to reflect these – writing one paragraph for each bullet on the Person Specification would be really useful. However, above all, we are looking for someone that will fit into our small school team and work hard within a dedicated and caring school community. Support and training will be provided for the right candidate.

Visits to the school are warmly welcomed – we recognise this is just as much about you finding the right place to work, as it is about us finding the right person for the role at St Bartholomew's CE Primary School. However, due to the timing of this advert, we won't be able to offer tours before you apply. Therefore, if you are shortlisted, we will ensure you have a tour!

The interviews will take place on Thursday 8th September. We will contact you by Tuesday 6th September if you have secured an interview. At the interview, we will ask you to read a book to children in year 3 or year 4.

Kind Regards,

Katie Blood.

Katie Blood
Headteacher
