Role Summary	<p>Roles at this level provide a business support service as part of a specific service or service team. They work within established processes and procedures, resolving problems or queries with the more complex issues referred to others. They support more senior staff by executing the detailed processes in specific aspects of business, financial, facilities and/or HR administration and will be fully versed in all procedures of their specialism. They will be subject to supervision but will be expected to organise their own workload and set their own priorities within short, e.g. day-to-day timescales. They may support a group of more senior staff with some of the more routine duties and ensure matters are dealt with appropriately when they are out of the office. Some roles at this level may be more restricted in terms of variety or organisation of tasks than others. Where this is the case, customer service may be the predominant feature.</p>
