Dear Applicant,

Thank you for your interest in the position of **Learning Support Assistant and Midday Supervisory Assistant** at St Mark's. We are a happy, hard-working school and our children are at the heart of everything we do. We are seeking to appoint a colleague who will work as part of our team, ensure our children reach their full potential, and break down any barriers to our children's learning.

St Mark's is an ambitious school. We are seeking an enthusiastic, energetic and resilient teaching assistant, to join us on the next stage of our development.

We are looking for a candidate who:

- Is a committed and hard- working learning support assistant and MSA.
- Is committed to raising the aspirations and achievement of all our children.
- Is willing to go the extra mile to ensure all of our children reach their full potential.
- Relishes challenge, contributing fully to the life of the school community.

We will offer you:

- Enthusiastic, lively and motivated children.
- An extremely committed and dedicated staff team, who are determined to improve outcomes for our children.
- The benefits of working in partnership with Roedean School and within the established Brighton and Hove Central Schools' Partnership.
- Highly supportive governors who are committed to school improvement.

If you feel that you have what it takes to overcome significant challenges, such as overall low attainment on entry, high levels of FSM and SEN, within a socially and economically deprived community, then we want to hear from you.

I look forward to receiving your application and to have the opportunity to show you around our school.

Yours sincerely,

Mrs Jane Fendley
Headteacher
