Stanford Junior School is looking to appoint

# Teaching Assistants

**- with a particular interest in behaviour management, 1:1 support and inclusive practices**

*Pay scale Level B. Permanent, subject to a satisfactory induction period. Hours to be discussed at interview.*

**Stanford Junior School** is looking to appoint a number of teaching assistants to fulfil a variety of roles across the school from September 2020. We are looking for reliable, committed and enthusiastic staff who value their own professional development, enjoy working supportively with colleagues and, most importantly, are determined to add value to children's school experiences.

The successful candidates will be allocated to individual children, or to work with named children across the school to support the work of our learning mentor, or to perform general TA duties across a year group.

We are looking for staff who are willing and able to support the wider life of the school, including attending residential trips and visits, running after school clubs (staff who are interested in running a club are paid to do so) and upholding the school's ethos and vision for children. We will be interested to hear what you can bring to our school and, during the interview process, will want you to demonstrate the skills, energy and passion required to enable our school to secure even better outcomes for children.

### **We can offer you...**

*a supportive senior leadership team • opportunities to further your practice • well-behaved, polite and ambitious children who are keen to learn • an opportunity to join a talented and passionate staff team • a committed governing body.*

This is an exciting opportunity and we look forward to welcoming prospective applicants to our school.

### **Application packs are available from:**

Audrey Watson  
School Business Manager
