Stanford Junior School  
is committed to safeguarding  
and promoting the welfare  
of children and young people  
and expects all staff and  
volunteers to share this  
commitment.

**Stanford Junior School** is looking to appoint a highly skilled and creative class teacher who is passionate about teaching and learning, committed to their own professional development and with good collaborative skills.

The successful candidate will work within a year group team of three, with the wider staff team and with the school's senior leadership team to provide teaching and learning opportunities that will challenge, motivate and excite the children who they teach, whilst inspiring colleagues.

We are looking for someone who aspires to be an outstanding practitioner who enjoys teaching all areas of the curriculum. Having recently revised our curriculum offer, this is an exciting time and there are opportunities for staff to develop their skills and passions by joining one of our curriculum teams: STEM; Arts & Humanities; Health & Well-being. We will be interested to hear what you can bring to our school and will want you to demonstrate the skills, energy and passion required to enable our school to secure even better outcomes for children during the interview process.

### We can offer you...

*a supportive senior leadership team • opportunities to further your practice within a vibrant school, minutes from the city centre and Brighton's seafront • well-behaved, polite and ambitious children who are keen to learn • an amazing staff team • a committed governing body*

Prospective applicants are invited to arrange to visit our school.

**Please contact the school office to arrange a date and time.**
